

**Tennessee Arts Commission
Fiscal Year 2015 Grant Awards**

This document contains the list of grant award recipients from the Tennessee Arts Commission for Fiscal Year 2015 (July 1, 2014 - June 30, 2015). This is the first of a series of grants that will be made by the Tennessee Arts Commission throughout FY-15.

Grantees are listed by the county of their physical address.

The Tennessee Arts Commission will award over 600 grants during Fiscal Year 2015, totaling more than \$5.3 million dollars. These funds have a direct impact on communities across Tennessee, in both urban and rural areas. Grant categories include Arts Access, Arts Education, Arts Project Support, Partnership Support, Individual Artist Fellowships, Major Cultural Institutions, Cultural Education Partnership and Rural Arts Partnership.

The Commission's allocations process is open, fair and based on independent peer reviews. The citizen advisory panels are comprised of Tennesseans with expertise in appropriate arts disciplines. The process also includes a final review by the full 15-member Tennessee Arts Commission.

Other grant opportunities are offered throughout the year with rolling deadlines for qualifying organizations and individuals. They include grants for Arts Build Communities, Arts Education Teacher Incentives, Arts Education Mini-Grants, Student Ticket Subsidy, Technical Assistance, Special Opportunities and Professional Development. Additional information on grant programs offered by the Tennessee Arts Commission is available at: www.tn.gov/arts.
